No.22, Angunawala, Peradeniya

TECHNICAL SKILLS

- HTML, CSS, JavaScript, MySQL and PHP.
- Android Application Development using Java and XML.
- Quality Assurance (Manual / Automated).
- UI Design (Figma, Balsamiq) and UX.
- Python.

SOFT SKILLS

- Collaborative Team Player
- Task Prioritization
- Adaptable and Positive Attitude
- Effective Verbal Communication
- Critical thinking

ACADEMIC PROJECTS

• My Portfolio Website -

Technologies Used - HTML, CSS and JavaScript

As a software engineering student, I created my portfolio website to showcase my skills and projects. I extensively tested it to ensure it looks visually appealing, and functional and operates smoothly for visitors across many devices.

• BankBoost (Banking-Based Android App) -

Technologies Used - Figma, Balsamiq, Java, XML

I've developed a user-friendly financial app using Android Studio in response to the challenges in Sri Lanka's expanding financial landscape. The app offers up-to-date banking rates and branch locations, aiming to enhance accessibility for users to make informed financial decisions efficiently.

• TravelBug (Travel-Based Website) -

Technologies Used - HTML, CSS, JavaScript, MySQL, PHP

I crafted a robust travel planning system for Sri Lanka, combining essential information on destinations, camping sites, and hiking trails. Rigorous testing ensured its reliability and ease of use, empowering fellow adventurers to plan and embark on memorable journeys confidently.

• Employee CRUD App -

Technology Used - Blazor, .NET, MS SQL Server

I created an Employee CRUD Application that enables users to effortlessly Add, View, Update, and Delete employee details. It uses Microsoft SQL Server to store and manage the data effectively.

EDUCATION

- **The Open University of Sri Lanka**
Bachelor of Software Engineering (Hons)
Undergraduate
(2021 - 2025)
- **Dharmaraja College, Kandy**
(2010 - 2019)

G.C.E (A/L) -

- ICT - **C**
- Science for Technology - **S**
- Engineering Technology - **S**
- General English - **A**

G.C.E (O/L) -

- All Common Subjects - **A's**
- Science - **C**
- ICT- **A**
- English Literature - **A**
- Commerce - **B**

EXTRA-CURRICULAR ACTIVITIES

- Scouting -
President's Scout
(2012 - 2019)
- The Council of Honour of
Dharmaraja College, Kandy -
Treasurer, ICT Coordinator
(2017 - 2019)
- Lake View Park International
Scout Center, Kandy -
Assistant Scout Leader
(2018)
- ICT Club of Dharmaraja
College, Kandy -
Member
(2017 - 2019)

- **BookMate (Mobile App) -**

Technology Used - React Native (Fronted)

Bookmate embraced a user-centric approach, concentrating on personalized book details within preferred genres. I prioritized visually pleasing UI/UX design for this app interface while various testing was conducted to ensure bug detection and enhance user satisfaction.

LANGUAGES

English  **90%**

Sinhala  **100%**

INTERESTS

- Quality Assurance (Manual / Automated)
- UI / UX Development
- Mobile Application Development
- Web Development (HTML, CSS, JavaScript, MySQL, PHP, ReactJS, Tailwind CSS)
- ASP .NET
- C#
